

Swan Hill Nurseries, LLC

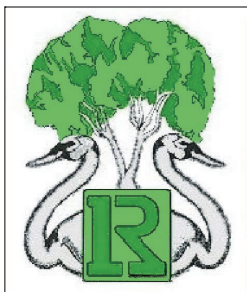

The Swan Hill Olive®: Non-Fruiting, Non-Pollinating, Vert. Wilt Resistant

Planters and Pots

Look for the Swans

Planters and Pots are used to introduce the beauty, shade and texture of trees to unique and challenging landscape settings. The Swan Hill Olive® has been used to create rooftop gardens, to soften concrete decks around pools and cabanas and in plazas surrounding around upscale shops. Fruitless and pollenless, Swan Hill Olives® brings a park-like elegance and welcome shade to hard to landscape areas.
